

ACF NSW Cocktail Networking Event

On 20th August, a special ACF NSW Cocktail Networking Event at ANZ Stadium was held. Together the committee from NSW-ACT & Regions and the culinary team from ANZ Stadium headed up by John Deane, created a rare opportunity for food industry professionals to go behind the scenes to understand the scope of the ANZ catering operation, mingle with peers, fundraise to support competitions, and learn more about the Australian Culinary Federation that continues to nurture young chefs and give back to the industry.

Many thanks to ANZ Stadium for a fantastic event.
