

ACF NSW Young Chefs Day

Educated, Fed & Watered

A fantastic day for our young chefs across the region. Straight to the Source Tour to Darling Mills, 'Educated, Fed & Watered' with a micro-brewery tasting workshop, picnic lunch and finishing the day with a Young Chefs Forum to set our direction moving forward. Thank you to everyone who attended and to the committee members involved! We look forward to future events @thefuture of our industry.
