

ACT Cheese Masterclass

A fantastic night of fromage and fun at The Essential Ingredient Canberra. 18 beautiful cheeses for tasting from Australia and Europe. Puiyee Thy, renowned expert in cheese and a registered judge with Dairy Australia, was on hand to talk us through the cheese making process and give us hints on storage and serving. Many favourites emerged during the ensuing discussions. Recipes were swapped and orders placed.

Thank you Kate for allowing us into your little Nirvana, and looking after us so well.
