

ACF ACT conducted a **Sushi Demonstration** at Canberra College; Paul Butler facilitated these, with further workshops planned. The students had a fantastic experience and this is a good lead in to the Secondary Schools competition.

It is an exciting year for the Chapter, with representatives from both ACT & NSW going forward for both ISS and NAC. The ACF NSW ACT & Regions are running a competition at the FIA Food Service on the 6th of June. All upcoming events are on the ACF networking page.

I hope to see you at these events.
Culinary regards, Karen Doyle
