

Bruno Gentile

As a chef, Bruno attributes the majority of his accomplishments to his Italian born mother and the invaluable training and experience received working by her side in their Italian restaurants. This has seen him win many accolades and awards over his 35 years in the kitchen. Bruno has had the pleasure to cook for Governor Generals, The Prime Minister, Sporting Greats, Heads of States and the rich and famous just to name a few.

Bruno loves to create food that allows the flavours and textures to ballet over your taste buds. He strives to 'get inside' each recipe, exposing the spirit of the dish through the ingredients and the preparation that is involved. Whether it is a Three Course Dinner, an Eight Course Degustation Evening or a Black Tie Private dinner party, Bruno works with you to fashion a night of pure gastronomic desire, enchantment and pure indulgence.
