

February Fundraising Dinner

On Monday 8th February the Team powered through their second hit out at Pavillion Restaurant, West Coast Institute in preparation for the Culinary Olympics In Erfurt in October. The dinner was attended by over 80 guests including culinary friends, family & sponsors who all had a great time & were wowed by the food the team put up.

The team will be heading off to Singapore to compete in the Gourmet Team Challenge at FHA Culinary Challenge 12 - 15th April. Where each team will prepare a cold edible buffet with 1 hot appetizer for 30 persons to be sold and served by the Organisers to diners in a café setting, along the lines of outside catering. For example, a wedding in the park with no site kitchen. This is just one of the competitions they will be entering on their journey for Gold in Germany.
