

Darwin RSL Cook-off Competition

The Darwin RSL hosted a 'Cook-off Competition' at the Darwin Trailer Boat on Wednesday the 26th of September, in support of Veterans Health Week. 13SQN Catering entered two teams, with them both finishing in the final places. In front of a large crowd of people, the teams had to prepare an entree and a main for judging against three other teams. Congratulations to the sections and these two teams on an outstanding achievement. This is another example of their commitment to improving their professional development and showcasing their wonderful culinary skills.
