

WORLDCHIEFS CONGRESS & EXPO KUALA LUMPUR 2018

The 38th Biennial 4 day event in Malaysia featuring industry leaders was one of great success.

Congratulations to Deb Foreman, Alan Oreal-Liang and Bernd Uber for being honoured at the Worldchefs Congress in Kuala Lumpur, receiving Worldchefs Presidents Medals. Their well deserved awards see them be recognised globally for their dedication to the industry over many years.

Despite a fantastic bid being put forward for Australia, the 2022 Worldchefs Congress vote went to Abu Dhabi. The Bill Gallagher Forum provided inspiration and enjoyment to the young chefs present. A special mention goes to Billy Fox who was recognised for his leadership and contribution to the forum.

Congratulation also to Michael Cole and Laura Skvor for representing Australia and the Pacific Rim in the Global Chefs Challenge and to Angelo La Roche and Mary George on their fine efforts in the Global Pastry Challenge.
