Secondary Schools Competition 25th June 2018

Each year the Australian Culinary Federation (ACF) conducts a cooking competition for secondary school students in each Australian state. The aim of this competition is to give students an insight into the hospitality industry and to identify and encourage students who demonstrate a talent and a passion for cooking. This competition also opens the doors for competitors for future training and employment.

The competition is open to unlimited entries from each school. If you are in years 10, 11 or 12, enrolled in a secondary school and are studying either a Hospitality or Commercial Cookery course, then you are eligible to enter. Competitors must be aged 19 years or less at 31st October 2018.

There will be only one overall winning team. The participating schools of South Australia have performed well in all facets of this competition in recent years and we hope to see this continue.

Please read the following entry criteria carefully and if you have any further questions please do not hesitate to contact **Chris Codell 0408 857 293** or email chris.codell7@gmail.com
